

Tuesdays with Mr. Knoll

September 21, 2021

We trust that this information will help you stay up-to-date on what is happening in your Canfield Schools. We encourage you to submit your student and/or staff achievements to the following email...CanfieldUpdate@CanfieldSchools.net

- Parents/guardians, **please continue to notify the school district within 24 hours if your child receives a positive COVID-19 test result.** If your child tests positive over a weekend or holiday, please email our nurse at cxbeck@canfieldschools.net. All positive case information will be updated on our website under the COVID-19 Informational Dashboard. In the event of a positive case, we will email a letter to all parents in the affected building using our established all call email system and post the letter on our website. Phone calls will continue to be made to close contact students as well.
- Please assess your child(ren) daily for symptoms. Our nursing staff is concerned about the number of sick students coming to school. Please help us, **if any symptoms are present, please keep your child at home.** Symptoms include: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.
- As mentioned in the all call last evening, effective **Wednesday, September 22, 2021**, the district is implementing an **indoor masking policy for all K-6 students, staff, and visitors.** Please see the attached letter with additional details.
- There will be a **Two Hour Delay for students on Thursday, October 7, 2021.** Our teaching staff will be participating in a mental health first aid training to prepare for an all day inservice on NEOEA Day. The teacher training is part of our Social Emotional focus.
- Canfield Local School District is beginning to develop a long-term plan that ensures our educational facilities match the goals we set for our students. We are undertaking the ambitious task of preparing a master plan to identify key goals for the district and help us understand potential options for our facilities. To support this process, we want to hear from you. **[Please complete a brief seven \(7\) question survey on our website](#)** to provide your input to the district. Together, we can identify the best course of action for future Canfield students and our community.
- **Congratulations Broc Lowry!** He was named a Vindicator Player of the Week!
